The Retiree Council did not convene for our scheduled meeting on April 11th due to the funeral of Ollie Sapp who was on the Retiree Council as a Member-At-Large. The following information is passed on from the Board Treasurer, Secretary and President:

We have 655 members, of this 67 are widows and 90 are receiving a free one-year membership.

The Retiree Council bank balance is \$5,872.61.

We had attendance at the Social on March 31 at the Knolls of 81 people. The Founders Award was presented to Mrs. Cecil Metzger in honor of her husband.

If you have not received your membership card by this time it is most likely because you have not paid your dues. You can access a membership form on the internet by going to neguard.org and clicking on “Retiree Council” on the left side, and then clicking on “Membership Form.” Please contact Ron Kroon via email at rk33417@alltel.net if you have sent your dues and believe there is a problem.

Bill Smets, of the Midwest Chapter of the Nebraska Military Retiree Council, noted that they will be unable to have their annual Summer picnic this year. The picnic area (Johnson Lake) from last year sustained winter damage. Additionally, he is recovering from a health issue. Bill would welcome a member from the area to take over the planning for a future picnic. Please call him after work hours at home in Lexington at (308) 324-4333.

Finally, as you know, Ollie Sapp, a long-time member of the Retiree Council, passed away this month. We will miss him greatly. As a result, we now have a vacancy on the committee. We meet at the TAG building, on 14th and Military Road in Lincoln, at 1 pm on the second Wednesday of each month. Anyone interested in being a member-at-large on the committee, please contact our President, Bill Nelson, at William.Nelson1@NG.army.mil as soon as possible.

As a reminder, anyone can access the Retiree Council web site by going to neguard.org and clicking on “Retiree Council.” Several items of information on the web site are currently in the process of being updated.
