

155th Air Refueling Wing Space Availability Travel Program

Space-A Information

Space Available Hotline
(402) 309-1248

The Space-Available hotline lists current flights available for travel as well as additional information needed to understand the Space-A process.

Space-A Information Briefing

Air Transportation
LRS Bldg 651, Room 119
2420 W Butler Ave
Lincoln, NE 68524
South/East Entryway;
1st door on right

Hours of operation: 0730-1600 M-F

Space-A Information Briefings are held every Wednesday at 1300 in the Air Transportation office.

Space-A Purpose

- *IAW DoD 4515.13R*, Space-available travel is a privilege (not an entitlement) that accrues to Uniformed Service members as an avenue of respite from the rigors of Uniformed Service duty.

Space-A Scope

- *IAW DoD 4515.13R*, Space-available travel allows authorized passengers to occupy DoD aircraft seats that are surplus after all space-required passengers have been accommodated. Space-available is allowed on a non-mission interference basis only.

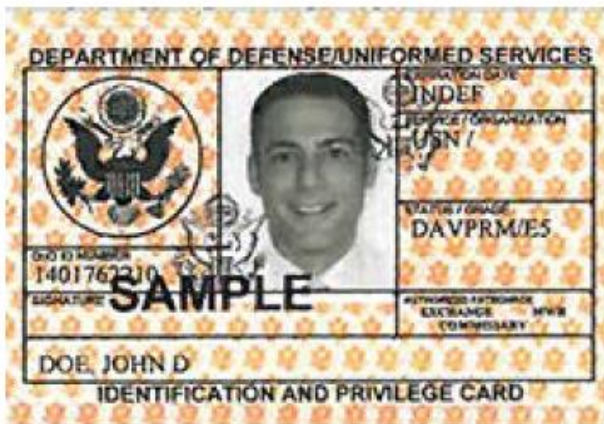

Space-A Eligibility

	<u>OCONUS</u>	<u>CONUS</u>
*Active Duty	YES	YES
Guard/Reserve	NO	YES
*Retired Active Duty & Retired Guard Over 60	YES	YES

Sign Up

The passengers status and/or rank does not indicate priority of movement. The selection of passengers is based off of their category and date and time of sign up.

Baggage Limitation

- **Baggage allowance:**
 - 2 checked pieces of baggage
 - Cannot exceed 70 pounds each
 - Cannot exceed 62 linear inches each
- *All baggage will be thoroughly screened
- *All passengers follow TSA guidelines
- For more information visit www.tsa.gov

Passenger Roll Call

IAW AMC 24-101 V14, Passengers will be advised of open flights and roll call times no earlier than 72 hours prior to flight departure.

* *The 155th utilizes the Space-A hotline*

Passenger Responsibilities

Each passenger is responsible for:

- Space-A sign-up
- Lodging
- Transportation reservations

SIGN UP

Space-A Travel

Space Available travel is never a guarantee. Passengers may be bumped at any time for mission requirements or by a higher category of passenger.

Space-A Travel

The 155th Passenger Terminal only controls what departs the 155th ARW. Follow-on and return travel will have to be worked by the traveler at the respective station. (re-accomplish AMC Form 140 at respective station)

Space-A Travel

A Passenger Terminal representative is available during normal business hours 0730-1600 M-F to answer any questions you may have. Call the Space-A hotline 402-309-1248 and choose option 4.

Common Destinations

- Travis AFB, California
- Hickam AFB, Hawaii
- Mildenhall AB, England
- Andersen AFB, Guam

Return From OCONUS

- Due to US Customs and Border Protection designating Lincoln as a “Limited Port of Entry” only Active Duty Servicemembers are permitted to return from overseas locations.
- Nearest Port of Entry: McConnell AFB, KS
 - Limited to 15 personnel

Keys to Space A Travel

- Be Flexible
- Big Ports have Facebook/Social Media
- Utilize Roll Call Reports
- Keep your AMC 140 Email
- External Sources
