President's Report:

Col Fineran: Welcome. A couple of thanks: First, to MAJ McIntosh and CPT Rose for setting up Unicameral Legislative Thank You. To the Events Committee: good turn out, 50/50 regular/new participants at most recent social gatherings, two prior to this meeting and an upcoming book club event. Encourage all that are available to attend and bring a member. I appreciate the work the Events Committee has done and is doing to rebuild our sense of community. As COVID issues relax, the organization's priority to rebuild our connectedness between Air/Army, Jr/Sr officers. Challenge to all: bring someone with you to these events; though of course we want to grow our team everyone should know there is no obligation by attending the events.

We want to send the newsletter and notices to all officer civilian email addresses, opportunity for those members to engage with the organization. 600+ officers, populate the Mailchimp database, and blast the next event to all.

Lt Col Carl Johnson: With regard to committees, template created and sent to Capt Littrell to build some information. An outline for meeting agenda and also documentation device for committee activity to debrief the BOG. Golf planning contingent on tailgate event.

LTC Scott Henrickson: Tailgate tentatively planned for first week of October.
